

HAWORTH collection

Bola Felt Pablo

Lighting

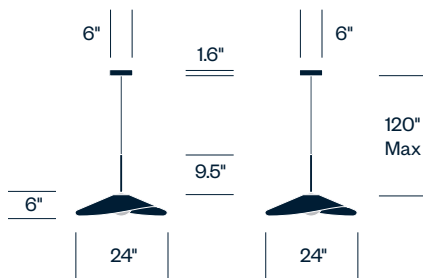

Bola Felt features a playfully expressive felted shade with a soft, pliable conical structure and two colored layers of undulating wool, inside and out. Suspend LED lights individually or in groupings to create a lasting impression in social or high-impresion spaces.

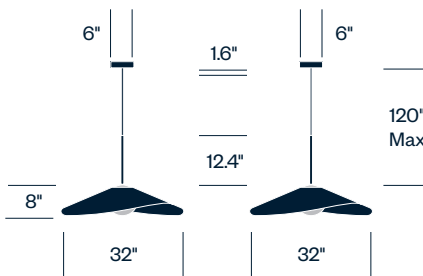

Features

- Shade rests over an opaline glass diffuser
- Adjusts to focus light at multiple angles
- Offers excellent acoustics
- Suspended by a fabric cord
- Fully dimmable high-output LED light
- 50,000-hour LED lifespan

Pendant Light, 24"

Pendant Light, 32"

Certifications

- CE Certified
- ETL Listed
