

HAWORTH collection

Tube Top Pablo

Lighting

Playing with traditional forms, Tube Top table and floor lights are designed with a transparent, sculpted acrylic base that supports its lightweight mesh shade in tension. The shade appears to float while providing a warm glow of ambient LED light.

Features

- Floor or table light
- Three table light sizes
- Polyester mesh shade with an acrylic body
- Fully dimmable LED light
- Fabric cord

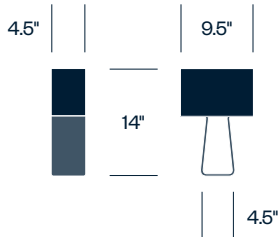

Certifications

- UL Listed
- CE Certified
