

HAWORTH

Belong Wire Management

Accessories

Belong™ Power Solutions are designed to work together for a holistic power and wire management experience. The Belong wire management tools organize power and charging to bring it all where people need it. The wire management tray keeps everything neat under the worksurface, allowing Belong power modules to provide power right to the desktop. The mesh cable manager bundles cords under the desk, and the cord management cuffs easily snap right into the wire management tray for a clean, finished aesthetic.

Features

- Wire Management Tray
 - Mounts to underside of desktop to keep worksurface clear of cords
 - Belong plug strip or plug strip portion of the Belong 15W or 65W power suite can be mounted inside the tray with two screws
 - Angled, with thumb grips to open toward the front or back, for easy two-way access to a plug strip and cords without contents spilling out
 - Use with Belong hatch (available separately) for access through the worksurface
 - Available in all standard Haworth trim colors
- Mesh Cable Manager
 - Neatly bundles together cords from panel or wall outlet under the desk
 - Two sizes available in black, grey, and white
- Cord Management Cuff
 - Caps off ends of mesh cable managers to keep them from fraying
 - Snaps into the wire management tray to keep bundled cables in place
 - Available in charcoal grey only

Certifications/Accolades

- ETL listed to UL standards
