

HAWORTH

Enclose Frameless Glass 2 Channel

Moveable Walls

With the look, feel, and performance of fixed construction, Enclose® Frameless Glass 2 Channel moveable walls offer two levels of acoustical privacy while providing for maximum visibility and access to light. Space-saving, easily adaptable options let you create a variety of meeting rooms, conference rooms, private offices, and other workspaces within a floorplan.

Features

- Dual-track system accommodates one pane of glass for standard level of acoustical privacy, or add a second pane to meet increased confidentiality requirements in meeting rooms and offices
- Design allows maximum daylight to permeate the space, unobstructed by frames
- Create endless runs with straight lines, faceted curves, or variable angle corners for refined storefront designs
- Easily installs, adapts, and reinstalls without disruption, dust, or excessive downtime
- Integrates with Enclose walls and seamlessly transitions to Enclose Frameless Glass walls and conventional construction
- Multiple swing and sliding door options include double glazed, wood glazed, metal glazed, glass slab, and wood slab
- Accommodates 3/8" (10 mm) or 1/2" (12 mm) glass in tempered or laminated finishes

Certifications

- BIFMA LEVEL® 3 Certified
- GREENGUARD Certified
