

HAWORTH

Masters Series

Private Office

For a complete private office solution, Masters Series® gives designers choices to be creative. It enables personalization for users, contributes to uniquely branded environments, and supports sustainability principles. Versatile and durable, Masters Series stands the test time. Easily expand design options with Tailored Solutions™ customization capability.

Certifications

- BIFMA LEVEL 3 Certified
- GREENGUARD Certified
- FSC Certified
- Contributes to WELL Building Standards
- Veneer and Case Construction Meet AWI Standards, Current Edition
- May Contribute Toward LEED Credits

Features

- Durable glue-and-dowel, case-clamped construction for clean alignment of tops and sides
- Responsibly selected veneer; materials sustainably sourced and finished at no upcharge
- High-pressure laminate available on vertical and horizontal surfaces for greater impact and scratch resistance
- Microfit edgebanding seamlessly blends with laminate material; provides four times the bond strength of traditional edgebanding
- EcoShield Ultra wood locks in color, provides durability, and showcases texture through an environmentally responsible, semi-open pore, water-based, UV-cured wood finish
- Mix premium veneers, high-pressure laminates, fabric, and glass for price and design scalability
