

HAWORTH

Compose

Storage

Compose® storage easily integrates with Compose system products to create a cohesive environment. Designed to be freestanding or work with panels, Compose wood core storage elements provide durability as well as a variety of flexible options. Its clean, rectilinear design adds refinement to highly functional workspaces.

Features

- Collection includes mobile and stationary pedestals with optional cushion, lateral files, storage units, personal storage towers, wardrobes, and stack-on storage
- Full-extension, steel ball-bearing slides
- Five pull styles
- Base/leg options include side panel base, plinth base, and chamfer leg
- Locking, non-locking, or digital programmable locks
