

HAWORTH collection

Mush cappellini

Tables

Inspired by the form of a mushroom, Mush tables have a stout metal base, topped with a slender circular top in a playful use of contrasts and volume. Make a statement with a single table or mix and match multiple tables—with two available heights and top material options in solid oak or a blend of unique, handcrafted marbles.

Features

- Available in a low or high table
- Wood tops are solid thermo-treated oak
- Stone tops are handmade of a marble mixture with aluminum fragments
- Metal painted base rests on a felt pad to protect hard flooring
