

HAWORTH

X Series

Lockers

To efficiently accommodate diverse long- or short-term storage needs, X Series® provides the broadest locker offering in a single storage family. Lockers and cubbies create a home base where people can keep work and personal materials organized and secure, with a small footprint that takes advantage of vertical space.

Certifications

- BIFMA LEVEL® 3 Certified
- GREENGUARD Certified
- FSC® Certified

Features

- Ideal for use in and around workstations, training areas, meeting rooms, and unassigned work environments
- Collection includes single and group lockers, cubby lockers, and combination cubby lockers—with a variety of configuration options
- Cubby combination lockers include an open shelf or file drawer
- Available accessories: Power module for charging devices, reprogrammable digital locks, locker shelf with personal drawer or suspended file frame, slat rail and rail accessories, boot tray, magnet boards and hooks, and peg magnets
- Mix surface options such as painted steel, high-pressure laminate, and premium veneer fronts and tops for design flexibility and price scalability
- Integrate with X series casegoods and storage, as well as other Haworth products for a consistent aesthetic
